

U12 André Schürle Trophy 2023

Parking areas, recommendations

The FC Busenbach sports centre is only accessible for vehicles of deliverers. For other vehicles the access to this area is closed.

Throughout Waldbronn there are a number of places where you can find parking lots for your vehicles. From all parking lots you can go to the sports centre by foot.

For Teams we recommend to use the separate entrance for players and coaches. Please drop the players off and search for a free parking lot for your vehicle.

You can reach the FC Busenbach sports centre via three entrances.
